withdrawal have been satisfied and system needs allow, and that Customer has a quantity of Gas stored in Customer's Park Balance not less than the quantity the Customer shall have nominated for withdrawal on such Day.

2.2 To the extent storage capacity which is being utilized by an Interruptible Customer hereunder is needed by EAST CHEYENNE in order to satisfy EAST CHEYENNE's obligations to Firm Storage Service or higher priority Interruptible service Customers or to meet system needs, EAST CHEYENNE shall require Customer to withdraw all, or any portion of, the IP Gas quantities held in storage by EAST CHEYENNE for the account of Customer as specified by EAST CHEYENNE. Unless EAST CHEYENNE otherwise agrees, Customer shall be required to make ratable withdrawals. If Customer fails to withdraw such IP Park Balance, then EAST CHEYENNE may take, free and clear of any adverse claims, title to such IP Park Balance as Customer was instructed to withdraw. EAST CHEYENNE's notice to Customer may be given orally, but shall be confirmed in writing via e-mail or facsimile to the Customer.

In the event that EAST CHEYENNE retains and takes title to any of Customer's Gas pursuant to this Section, EAST CHEYENNE shall credit the value of such Gas, net of any costs incurred by EAST CHEYENNE to take title to and/or resell such Gas, in accordance with the provisions of Section 31 of the General Terms and Conditions of this FERC Gas Tariff.

6. AUTHORIZATION, RATES, TERMS AND CHANGES

6.1 The Hub Services Agreement and the respective obligations of the Parties hereunder are subject to all valid laws, orders, rules and regulations of duly constituted authorities having jurisdiction, and are conditioned upon the issuance, by FERC, and any state or local governmental agency having jurisdiction, of requisite authorization for EAST CHEYENNE to provide the parking service contemplated hereby and to construct and operate the Gas storage facilities necessary to provide such parking service and for any connected pipeline to transport Gas to/from the Point(s) of Receipt/Delivery necessary to effect the parking service provided for herein.

6.2 EAST CHEYENNE shall have the right to propose to FERC or any other governing regulatory body such changes in its rates and terms of service as it deems necessary, and the Hub Services Agreement shall be deemed to include any changes which are made effective pursuant to order or regulation or provisions of law, without prejudice to Customer's right to protest the same; provided, however, that any market-based rates negotiated between EAST CHEYENNE and its Customer(s) shall remain in effect during the term of the Hub Services Agreement(s) specifying such rates.

7. CURTAILMENT

If, due to any cause whatsoever, EAST CHEYENNE's capability to receive, store or deliver quantities of Gas is impaired so that EAST CHEYENNE is unable to receive, store or deliver the quantities provided for in its Hub Services Agreement(s) with Customers without impairment of service to higher priority service Customers, then capacity, withdrawals and/or injections will be allocated according to the priority of service as set forth in Section 5 of the General Terms and Conditions of this FERC Gas Tariff.

Interruptible Storage Inventory held by EAST CHEYENNE for Customer's account; provided, however, any Hub Services Agreement that has a term of thirty (30) Business Days or less shall not require such foregoing notice but notice shall be deemed to have been given on the first Day of the primary term or the renewed term of such Agreement. EAST CHEYENNE's notice to Customer may be given orally, but shall be confirmed in writing via e-mail or facsimile to Customer. Within ten (10) Business Days of such notice, EAST CHEYENNE and Customer shall either agree on mutually acceptable terms by which EAST CHEYENNE shall cash out the Interruptible Storage Inventory or Customer must physically withdraw the Interruptible Storage Inventory before the end of the contract term. If, by midnight on the last Day of the contract term, Customer has failed to withdraw such Interruptible Storage Inventory, then EAST CHEYENNE may take, free and clear of any adverse claims or obligation to Customer, title to such Interruptible Storage Inventory; provided, however, that if Customer was unable to withdraw its Interruptible Storage Inventory due to an interruption of Customer's withdrawal service during the last ten (10) Days before termination, Customer shall be allowed an additional number of days, corresponding to the period of interruption of its withdrawal service to withdraw its Interruptible Storage Inventory following the end of the contract term.

8.2 In the event that EAST CHEYENNE retains and takes title to any of Customer's Gas pursuant to this Section 8, EAST CHEYENNE shall dispose of such Gas by auction and shall credit the net proceeds received from such auction in accordance with the provisions of Section 31 of the General Terms and Conditions of this FERC Gas Tariff.
