Docket No. RP24-____-000

Dear Acting Secretary Reese:

Rockies Express Pipeline LLC (“Rockies Express”) hereby submits for filing with the Federal Energy Regulatory Commission (“Commission” or “FERC”), to become part of the Rockies Express FERC Gas Tariff, Third Revised Volume No. 1 (“Tariff”) and Original Volume – The Book of Contracts, the following revised tariff sections (the “Proposed Tariff Sections”) with a requested effective date of January 26, 2024:

<u>Section Name</u>	<u>Section Version</u>
Third Revised Volume No. 1 Negotiated Rates – 4	117.0.0
Original Volume – The Book of Contracts Section 4.66 – NRA Castleton K# 958225	5.0.0

Pursuant to Part 154 of the Commission’s regulations,¹ the following items are included in this filing:

1. An eTariff XML filing package containing the Proposed Tariff Sections in electronic format;
2. A PDF file of the clean Proposed Tariff Sections for posting in the Commission’s eLibrary;
3. A PDF file of the marked Proposed Tariff Sections for posting in the Commission’s eLibrary; and
4. This transmittal letter.

Statement of the Nature, Reasons, and Basis for the Proposed Changes

Pursuant to 18 CFR § 154.601, this filing is being made to reflect one amended and restated negotiated rate transportation service agreement (“TSA”), replacing the on-file transportation service agreement with Castleton Commodities Merchant Trading L.P. (“Castleton”), Contract No. 958225. The changes to the amended and restated contract are limited to the term of service and the initiation and completion points. No other changes are being proposed.

¹ 18 CFR § 154 (2023).

The amendment to Contract No. 958225, a copy of which is attached hereto, has an effective date of January 26, 2024. Rockies Express is filing the amended and restated TSA together with the Proposed Tariff Sections, which set forth the shipper's name and contract terms.

Rockies Express requests that the Commission accept this filing and permit the Proposed Tariff Sections set forth herein to become effective on January 26, 2024, consistent with the effective date of the TSA.

Housekeeping Matters

As part of this filing, Rockies Express is also reflecting in the Proposed Tariff Sections the following housekeeping change, with the same proposed effective date of January 26, 2024:

Third Revised Volume No. 1:

Negotiated Rates – 4, Version No. 117.0.0

- Footnote 24: Add the appropriate docket number to the footnote.

Procedural Matters

Rockies Express respectfully requests waiver of the 30-day notice requirement in 18 CFR § 154.207, as necessary, so that the Proposed Tariff Sections submitted herewith may become effective on January 26, 2024. Approval of this requested waiver is in the public interest where no other shipper will be harmed and the needs of consumers are met. The Commission, in its Policy Statement, stated that it would readily grant requests to waive the 30-day notice requirement of 18 CFR § 154.207.²

Pursuant to the Commission's regulations, Rockies Express is submitting this filing via electronic filing. Rockies Express requests that the Commission grant all waivers of its regulations necessary for the Proposed Tariff Sections to become effective on January 26, 2024. If the Commission suspends the Proposed Tariff Sections, Rockies Express hereby moves to place the accepted Proposed Tariff Sections into effect at the end of the suspension period, if any, specified in the Commission order permitting the proposed changes to go into effect without change. If the Commission directs Rockies Express to change any aspect of the Rockies Express proposal prior to these Proposed Tariff Sections becoming effective, Rockies Express reserves the right to file a later motion to place the Proposed Tariff Sections into effect.

Previously Filed Tariff Versions of the Same Sections

In this instant proceeding, Rockies Express is filing with the Commission updated versions of the tariff sections Rockies Express submitted for filing on January 12, 2023, in Docket No. RP24-317-000 (the "Currently Pending Tariff Sections"). The Proposed Tariff Sections filed herein are, with Commission approval, intended to supersede the Currently Pending Tariff Sections and are drafted with the assumption that the Currently Pending Tariff Sections will be approved prior to, or coincident with, the Commission's approval of the instant filing. With this understanding, Rockies Express respectfully requests that the Commission approve the Proposed Tariff Sections set forth herein. However, in the event the Commission does not issue or has not yet issued an affirmative order in Docket No. RP24-317-

ADDITIONAL TERMS PERMITTED TARIFF:

For each month of the Term, in lieu of the per Dth initial, balance, and completion rates associated with Rate Schedule PALS, Shipper agrees to pay REX a negotiated Flat Monthly Fee of \$292,500/month for the entirety of service provided under this Request Order 958223, Request Order 958224_A1 and Request Order 958225_A3. The Maximum Aggregate Quantity Request Order (“MAQ RO”) shall be the maximum aggregate quantity Transporter is obligated to park or loan for the account of Shipper under Request Order 958223, Request Order 958224_A1 and Request Order 958225_A3. Shipper’s aggregate quantity shall be the sum of the absolute value of any outstanding Park or Loan quantity under Request Order 958223, Request Order 958224_A1 and Request Order 958225_A3 at any point in time within the term of this agreement. The Maximum Daily Quantity Request Order (“MDQ RO”) shall be the sum of the MDQ in Request Order 958223, Request Order 958224_A1 and Request Order 958225_A3. Any quantities exceeding the MAQ RO, the MAQ, the MDQ RO, or the MDQ will be assessed the applicable maximum Overrun Service Charge for initial, balance, and completion rates on Rate Schedule PALS. It is Shipper’s sole responsibility to manage the balances within the range of the MAQ RO and the MDQ RO and within the range of the MAQ for each separate Request Order and the MDQ for each separate Request Order.

If shipper elects a physical delivery point instead of a hub or pool point, it is the shipper’s responsibility to confirm with the downstream or upstream pipeline that they will accept displacement nominations, if necessary. Keep in mind that REX does not allow custody transfers (buys/sells) at physical locations that are deliveries only (e.g. NGPL Moultrie, ANR Shelby).

Shipper can elect multiple Injection/Withdrawal Points; provided however, shipper may not have an MAQ of less than 20,000 Dths at any Injection/Withdrawal Point on the system. Shippers may not have and MAQ of more than 50,000 Dths combined at points West of Segment 150 or East of Segment 360 or at the Cheyenne Hub Pool Points. The shipper will be provided a unique PALS contract (and therefore unique nominatable PALS contract number) for each Injection/Withdrawal Point selected.

Shipper may, at the negotiated rate, change and/or add an Injection/Withdrawal Point up to a total of ten (10) times during the term of the agreement. A point change request must be received in writing.

Point changes will only be granted if Shipper's balance is zero at the point they are leaving.

Gas injected at a specific point must be withdrawn from that same point and vice versa. Injections and withdrawals will not be netted across multiple Injection/Withdrawal Points.

IN WITNESS WHEREOF, the parties have caused this Agreement to be signed by their duly authorized representative.

ADDITIONAL TERMS PERMITTED TARIFF:

For each month of the Term, in lieu of the per Dth initial, balance, and completion rates associated with Rate Schedule PALS, Shipper agrees to pay REX a negotiated Flat Monthly Fee of \$292,500/month for the entirety of service provided under this Request Order 958223, Request Order 958224_A1 and Request Order 958225_A32. The Maximum Aggregate Quantity Request Order (“MAQ RO”) shall be the maximum aggregate quantity Transporter is obligated to park or loan for the account of Shipper under Request Order 958223, Request Order 958224_A1 and Request Order 958225_A32. Shipper’s aggregate quantity shall be the sum of the absolute value of any outstanding Park or Loan quantity under Request Order 958223, Request Order 958224_A1 and Request Order 958225_A32 at any point in time within the term of this agreement. The Maximum Daily Quantity Request Order (“MDQ RO”) shall be the sum of the MDQ in Request Order 958223, Request Order 958224_A1 and Request Order 958225_A32. Any quantities exceeding the MAQ RO, the MAQ, the MDQ RO, or the MDQ will be assessed the applicable maximum Overrun Service Charge for initial, balance, and completion rates on Rate Schedule PALS. It is Shipper’s sole responsibility to manage the balances within the range of the MAQ RO and the MDQ RO and within the range of the MAQ for each separate Request Order and the MDQ for each separate Request Order.

If shipper elects a physical delivery point instead of a hub or pool point, it is the shipper’s responsibility to confirm with the downstream or upstream pipeline that they will accept displacement nominations, if necessary. Keep in mind that REX does not allow custody transfers (buys/sells) at physical locations that are deliveries only (e.g. NGPL Moultrie, ANR Shelby).

Shipper can elect multiple Injection/Withdrawal Points; provided however, shipper may not have an MAQ of less than 20,000 Dths at any Injection/Withdrawal Point on the system. Shippers may not have and MAQ of more than 50,000 Dths combined at points West of Segment 150 or East of Segment 360 or at the Cheyenne Hub Pool Points. The shipper will be provided a unique PALS contract (and therefore unique nominatable PALS contract number) for each Injection/Withdrawal Point selected.

Shipper may, at the negotiated rate, change and/or add an Injection/Withdrawal Point up to a total of ten (10) times during the term of the agreement. A point change request must be received in writing.

Point changes will only be granted if Shipper's balance is zero at the point they are leaving.

Gas injected at a specific point must be withdrawn from that same point and vice versa. Injections and withdrawals will not be netted across multiple Injection/Withdrawal Points.

IN WITNESS WHEREOF, the parties have caused this Agreement to be signed by their duly authorized representative.
