Service type (FTS, ITS, PAWS) _____		
Trade is from GID (long shipper) _____	Trade is to GID (Short shipper) _____	

Trades are subject to the terms and conditions in the currently effective REX FERC Gas Tariff.
 Trade forms may be submitted to REX Account Services via facsimile or email.
 Facsimile submittals should contain signatures from both shippers.
 Email submittals must be received from both shippers so the email addresses can be used as confirmation.
 Trades cannot be made between Operational Impact Areas (OIA's)
 Trades can not be made between Service types (FTS, ITS PAWS)
 Trades can only be made for the prior flow month.
 Transport trades cannot increase an OIA imbalance.
 Trades cannot be conducted outside shipper's contracted rights without incurring additional charges pursuant to REX's FERC Gas Tariff.
 Trades will be recorded in the relevant flow month and will be charged accordingly.
 Trade Forms must be submitted in accordance with the time lines provided for in REX's currently effective FERC Gas Tariff.
 The Preliminary Cashout Schedule, included with the invoice, details the transportation imbalances for the month.
