

TIGT UPDATED ROLLING 12-MONTH MAINTENANCE PLAN

TIGT has updated its 12-Month Maintenance Plan on its website. This schedule reflects the projects as currently planned that may have an impact on customers from September 2019 forward. Segment, start/finish dates and a brief explanation of projects are shown. The listing will be updated on or about the 20th of each month showing the next 12 months of planned maintenance. TIGT will continue to post on a separate notice, the details and specific impact of the upcoming month's projects.

In order to access the current TIGT 12-Month Maintenance Plan, please use the following website address: <http://pipeline.tallgrassenergylp.com>

- Click on "Interstate Pipelines" from the menu on the left
- Click on "Tallgrass Interstate Gas Transmission"
- Click on "Operating Information"
- Click on "Maintenance Plan"

If you have any questions, please contact your Account Director or Scheduling Representative.
